

Cogeneration systems — Technical declarations for planning, evaluation and procurement

ICS 27.040

National foreword

This British Standard is the UK implementation of ISO 26382:2010.

The UK participation in its preparation was entrusted to Technical Committee MCE/16, Gas turbines.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 28 February 2010
