**Combined accept-zero sampling systems and  
process control procedures for product acceptance**

---

## National foreword

This British Standard is the UK implementation of ISO 28594:2017. It supersedes BS ISO 21247:2005, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/5, Acceptance sampling schemes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
