Road vehicles — Methods and criteria for usability evaluation of child restraint systems and their interface with vehicle anchorage systems

Part 1: Vehicles and child restraint systems equipped with ISOFIX anchorages and attachments

National foreword

This British Standard is the UK implementation of ISO 29061-1:2010.

The UK participation in its preparation was entrusted to Technical Committee AUE/7, Automobile occupant restraint systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
