Intelligent transport systems — Localized communications

Part 2: Legacy system support

National foreword

This British Standard is the UK implementation of [ISO 29281-2:2019](#). It supersedes [BS ISO 29281-2:2013+A1:2014](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Intelligent transport systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
