

BSI Standards Publication

Non-sewered sanitation systems — Prefabricated integrated treatment units — General safety and performance requirements for design and testing

National foreword

This British Standard is the UK implementation of [ISO 30500:2018](#).

The UK participation in its preparation was entrusted to Technical Committee B/505/41/1, Wastewater treatment systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
