Wood — Sampling methods and general requirements for physical and mechanical testing of small clear wood specimens

National foreword

This British Standard is the UK implementation of ISO 3129:2019. It supersedes BS ISO 3129:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/543, Round and sawn timber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
