National foreword

This British Standard is the UK implementation of ISO 4386-1:2012. It supersedes BS 7585-1:1992, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/12, Plain bearings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
