

Gear hobs — Accuracy requirements

ICS 21.200

National foreword

This British Standard is the UK implementation of ISO 4468:2009, incorporating corrigendum November 2009. It supersedes BS 5221:1987 which is withdrawn.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by ISO corrigendum November 2009 is indicated in the text by AC1 AC1 .

The UK participation in its preparation was entrusted to Technical Committee MCE/5/-/3, Gear forming tools.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 January 2010
