

BSI Standards Publication

Gear hobs — Accuracy requirements

National foreword

This British Standard is the UK implementation of ISO 4468:2020. It supersedes BS ISO 4468:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/5-/16, Gear Forming Tools.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
