

BSI Standards Publication

Energy management and energy savings — General guidelines for selecting energy savings evaluators

National foreword

This British Standard is the UK implementation of [ISO 50021:2019](#).

The UK participation in its preparation was entrusted to Technical Committee SEM/1, Energy Management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
