National foreword

This British Standard is the UK implementation of ISO 5775-2:2015. It supersedes BS 6102-6:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GME/25, Cycles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
