

BS ISO 690:2010

BSI Standards Publication

Information and documentation — Guidelines for bibliographic references and citations to information resources

National foreword

This British Standard is the UK implementation of ISO 690:2010. It supersedes BS 1629:1989 and BS ISO 690-2:1997 which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IDT/2/2, Information description, source identification and indexing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
