Hydraulic fluid power — Dimensions and requirements of quick-action couplings

National foreword

This British Standard is the UK implementation of ISO 7241:2014. It supersedes BS 7198-1:1989 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/18/-/4, Connectors and associated components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
