

BS ISO 7583:2013

BSI Standards Publication

Anodizing of aluminium and its alloys — Terms and definitions

National foreword

This British Standard is the UK implementation of ISO 7583:2013.

The UK participation in its preparation was entrusted to Technical Committee STI/32, Anodic oxidation coatings on aluminium.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
