Data quality

Part 8: Information and data quality:
Concepts and measuring

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 8000-8:2015.

The UK participation in its preparation was entrusted to Technical Committee AMT/4, Industrial data and manufacturing interfaces.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
