

BSI Standards Publication

Industrial systems, installations and equipment and industrial products — Structuring principles and reference designations

Part 12: Construction works and building services

National foreword

This British Standard is the UK implementation of ISO 81346-12:2018.

The UK participation in its preparation was entrusted to Technical Committee GEL/3, Documentation and graphical symbols.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
