Road vehicles — Measurement techniques in impact tests — Optical instrumentation

National foreword

This British Standard is the UK implementation of ISO 8721:2018. It supersedes BS AU 228-2:1989, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AUE/7, Automobile occupant restraint systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
