

BS ISO 8811:2000

BSI Standards Publication

Earth-moving machinery — Rollers and landfill compactors — Terminology and commercial specifications

National foreword

This British Standard is the UK implementation of ISO 8811:2000, incorporating corrigendum February 2002.

The start and finish of text introduced or altered by corrigendum is indicated in the text by tags. Text altered by ISO corrigendum February 2002 is indicated in the text by AC1 AC1.

The UK participation in its preparation was entrusted by Technical Committee B/513, Construction equipment and plant and site safety, to subcommittee B/513/1, Earth moving machinery (International).

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
