

BSI Standards Publication

Belt drives — Grooved pulleys for V-belts (system based on effective width) — Geometrical inspection of grooves

National foreword

This British Standard is the UK implementation of ISO 9980:2012.

The UK participation in its preparation was entrusted to Technical Committee MCE/10, Belts & Pulley Drive.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
