

BSI Standards Publication

**Information technology — International
string ordering and comparison — Method for
comparing character strings and description
of the common template tailorable ordering**

National foreword

This British Standard is the UK implementation of ISO/IEC 14651:2020. It supersedes BS ISO/IEC 14651:2019, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/5, Programming languages, their environments and system software interfaces.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
