Information technology — Radio frequency identification for item management

Part 1: Unique identification for RF tags numbering systems

National foreword

This British Standard is the UK implementation of ISO/IEC 15963-1:2020. Together with BS ISO/IEC 15963-2:2020, it supersedes BS ISO/IEC 15963:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
