Method for the determination
of toner cartridge yield
for monochromatic
electrophotographic printers
and multi-function devices that
contain printer components**

National foreword

This British Standard is the UK implementation of ISO/IEC 19752:2017.

The UK participation in its preparation was entrusted to Technical Committee IST/3, IT Printers and Cartridges.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
