Information technology — Common Biometric Exchange Formats Framework

Part 1: Data element specification

National foreword

This British Standard is the UK implementation of ISO/IEC 19785-1:2020. It supersedes BS ISO/IEC 19785-1:2015, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/44/-/2, Biometric technical interfaces.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
