

BSI Standards Publication

**Information technology — Security
techniques — Guidelines for information
security management systems auditing**

National foreword

This British Standard is the UK implementation of ISO/IEC 27007:2017. It supersedes BS ISO/IEC 27007:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/33/1, Information Security Management Systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
