

BSI Standards Publication

Information technology — Application security

Part 7: Assurance prediction framework

National foreword

This British Standard is the UK implementation of ISO/IEC 27034-7:2018.

The UK participation in its preparation was entrusted to Technical Committee IST/33/4, Security Controls and Services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
