

BSI Standards Publication

Information technology — Performance testing of biometric template protection schemes

National foreword

This British Standard is the UK implementation of ISO/IEC 30136:2018.

The UK participation in its preparation was entrusted to Technical Committee IST/44, Biometrics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
