

Maritime navigation and radiocommunication equipment and systems — Digital interfaces —

**Part 101: Single talker and multiple
listeners — Modified sentences and
requirements for IEC 61162-1**

ICS 47.020.70

National foreword

This Published Document reproduces verbatim IEC/PAS 61162-101:2003.

The UK participation in its preparation was entrusted to Technical Committee EPL/80, Maritime navigation and radiocommunication equipment and systems, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a Published Document does not of itself confer immunity from legal obligations.

This Published Document was published under the authority of the Standards Policy and Strategy Committee on 27 October 2003
