

Classification of environmental conditions —

**Part 4-0: Guidance for the correlation
and transformation of the
environmental condition classes of
IEC 60721-3 to the environmental tests
of IEC 60068 — Introduction**

ICS 19.040

National foreword

This Published Document reproduces verbatim IEC TR 60721-4-0:2002.

The UK participation in its preparation was entrusted to Technical Committee GEL/104, Environmental conditions, classification and testing, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
