

BSI Standards Publication

Considerations of unaddressed safety aspects in the second edition of IEC 60601-1 and proposals for new requirements

National foreword

This Published Document is the UK implementation of IEC/TR 62296:2009. It supersedes PD IEC/TR 62296:2003 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee CH/62, Electromedical equipment in medical practice, to Subcommittee CH/62/1, Common aspects of electrical equipment used in medical practice.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
