

BSI Standards Publication

Biological evaluation of medical devices

Part 19: Physico-chemical, morphological and
topographical characterization of materials

National foreword

This Published Document is the UK implementation of ISO/TS 10993-19:2020. It supersedes DD ISO/TS 10993-19:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/194, Biological evaluation of medical devices.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
